24 Hour Emergency Sales and Service • 651-766-0874

General Repair Service has a fleet of service trucks available 24 hours a day
and our service personnel are factory trained.

**Pump Sales and Service for
Industrial • Potable Water • Waste Water • Digital Dosing**

General Repair Service can repair all pumps including Allis Chalmers, Aurora, ABS, Berkley,
Byron Jackson, Burks, Carver, Clow, Deming, Durco Dunham-Bush, Flygt, Goulds, Graco, I-R,
Moyno, Paco, Scot, Smith & Loveless, Viking, Weil and Wilden.

***We also offer a full service Machine Shop including metallizing.
Metallizing is the process where worn out parts can be built up
with an atomizing blast of molten metal to form a new coating.***

The coating is then turned or ground to the original tolerance and ready for service.

SERVICE PROVIDED FOR ALL BRANDS OF PUMPS, BLOWERS & ROTARY VALVES
